## BURSARY APPLICATIONS

In line with our vision to make it possible for as many delegates as we can help to attend ICDF conferences and study tours, we have a programme through which delegates can apply for bursaries. Bursaries are to help towards the Study Tour delegate fee and cost of accommodation but are subject to the amount that we are able to fundraise.

The bursary is available to dancers/teachers who intend to register for the Dance and Culture Study Tour, who have shown their commitment to the ministry, and who have a relationship with ICDF or their country CDF.

For more information go to ... <http://www.conference.icdf.com/funding/bursaries>

### Applications CLOSE 1 November 2018

Please note: You will still need to do your own fundraising. Any bursary offered will not cover all of your expenses.
