Launch of Mobile Device Friendly Website

The next phase of our dream has been realised! We are delighted and excited to be announcing this month that the Mobile Device Friendly version of the ICDF Foundation website is now ready for you to see and explore!

Mobile Device Friendly so as to make the website more readily accessible when using mobile/cell phones and other mobile devices.

We draw your attention to ...

- the story of the ICDF Foundation's Support of the artistic community through their Commissioned Dance for this season: "Apart... yet together" - danced by Celine Urquhart <https://foundation.icdf.com/en/icdf-foundation-films>
- the Foundation Newsletters at <https://foundation.icdf.com/en/node/86>

There is also much more to read on the website ~ for blessing and to enjoy!
