Staying connected - to the Lord and to each other

Psalm 8

O Lord, our Lord, how majestic is your name in all the earth!

You have set your glory above the heavens.

From the lips of children and infants you have ordained praises
because of your enemies, to silence the foe and the avenger.

When I consider your heavens, the work of your fingers, the moon
and the stars, which you have set in place, what is man that you
are mindful of him, the son of man that you care for him?

You have made him a little lower than the heavenly beings and
crowned him with with glory and honor.

You made him ruler over the works of your hand; you put
everything under his feet:

all flocks and herds, and the beasts of the field, the birds of the
air, and the fish of the sea, all that swim in the paths of the seas.

O Lord, our Lord, how majestic is your name in all the earth!

(New International Version translation)

GREETINGS IN THE NAME THAT IS ABOVE COVID-19 ...

Its such a privilege to work the harvest alongside of you during these treacherous yet exciting times in the history of the Church. I am deeply honored to be able to share the following thoughts with you, as we all face life very differently to the way we once knew it to be. Covid-19 became real for me when I could not see my beloved children for two weeks following their return from a holiday abroad.

The enemy is after souls – the ones that belong to Jesus!! In Psalm 2:8, we see that God promised Him the Nations for His inheritance. It's all about souls – and I believe that a bountiful harvest must be coming!! People will have nowhere to run, but to Jesus!! It will happen on a global scale. The biggest church buildings will not be big enough to contain the harvest!! Satan's plan is to rob, kill and destroy – he is after our minds, wills and emotions. But we can counter Him by choosing righteousness, which leads to peace and ultimately to joy in the Holy Ghost!

Churches need to unite: Covid-19 is forcing every church out of buildings and into homes once again. Like in the days of Acts. We may not know where this is leading, but God certainly does. Psalm 2:4 says this: "The One enthroned in heaven laughs ... " The Lord laughs at the plans we make for His plans are already made. This so reminds me of what they thought would happen when they crucified Jesus. Are we about to see every knee bowing and every tongue confessing that Jesus is Lord?? What a defining moment that would be in the history of the Bride!!

A lot is being said about the virus. Social media is full of what's trending ... but the Bible is full of what's coming. I encourage us to stay in the Word!! It's His Word that God is watching over to perform. While we must follow the advice that is being given to protect our bodies, when it comes to our souls and spirits, we must follow the counsel of the Holy Spirit. Let Him be the One you lend your ear to. Beloved, the world looks to Gold, Platinum and Brent Crude for its security. Our security is The Word, The Name and The Blood!! In addition, we must keep the faith, fight the good fight and be sure to pay our tithes, so that the gospel can be preached throughout the earth, as a testimony to all Nations.

My prayer for us during this time is that we would be like Job; a blameless and upright people; a people around whose household Satan knows God has placed a hedge; a people on whom God has forbidden Satan to even lay a finger!!

Beloved, find a Word in the Word for YOU: one that will sanitise YOUR inner man against this onslaught. God wants to speak to YOU! He is mindful of YOU! He cares about YOU! Ps 8:4-8
May NOTHING separate us from His love – least of all COVID-19!!

Have no fear ... when the flood comes, may you and your loved ones be safe in the Ark.
In Jesus' Name!!!

Encouragement in Times of Isolation

We, at ICDF, are facilitating a time of connecting and socializing for all our ICDF friends and supporters who would like to join in. We are calling it ***“ICDF activities/movement/dance ideas to encourage us during this time of isolation”***.

Individuals can put together a video with an activity of their choice which ICDF members can watch and enjoy, or even join in with, wherever they are. We'll be posting it (as we receive it) on our Facebook page and group. It's a way to unite us and to have fun as a collective body.

We therefore want to invite you to be a part of this by either sending us something that you would like to post or by watching and sharing what others are doing.
